

Demonstration of Sustainable Hydropower Refurbishment

M2 Launch of the website

Work Package	WP8 Dissemination, exploitation and communication (DEC) – Part I
Responsible	Mario Bachhiesl, VGBE
Milestone reached	09/09/2024

Task: T8.3 – Implementation of the communication plan – Part 1

Milestone: MS2 – Launch of the website

Description: As part of the ReHydro project, vgbe energy conceptualized, designed, and is continuously hosting and updating a website meant to contain all relevant information about the project, including objectives, demonstration sites, and public results. The website can be reached under <https://www.rehydro.eu> and is structured as follows:

Table 1. Contents of the ReHydro website

Page name	Contents
Homepage	General information, Overview of: Objectives, Project partners, Demonstration Sites, News & Events
Main Demonstration Sites	Overview of main demonstration sites and their overall role.
Other Demonstration Sites	Overview of other demonstration sites and their overall role.
Røldal-Suldal Kraftverkene	Description, Data, Objectives, Photos, Location, Representative
Saut-Mortier	Description, Data, Objectives, Photos, Location, Representative
Caderousse	Description, Data, Objectives, Photos, Location, Representative
Valeira	Description, Data, Objectives, Photos, Location, Representative
Forces Motrices de la Gougra	Description, Data, Objectives, Photos, Location, Representative

Electra-Massa	Description, Data, Objectives, Photos, Location, Representative
Belver	Description, Data, Objectives, Photos, Location, Representative
Vogelgrun and the Rhine cascade	Description, Data, Objectives, Photos, Location, Representative
Golfech	Description, Data, Objectives, Photos, Location, Representative
Bollène	Description, Data, Objectives, Photos, Location, Representative
Project Partners	Brief introduction of each partner and their roles/expertise with links to their websites.
Collaborations	Brief introduction of several sister research projects with links to their websites.
Knowledge Hub	Area to download publicly available (research) publications, graphics & presentations, and deliverables.
News	News section featuring press releases and brief articles about ReHydro's progress.
Newsletter	Archive of past newsletters linking to newsletter subscription.
Subscribe to ReHydro Newsletter	Sign up page to receive the ReHydro newsletter.
Events	Area to feature events organized by or focusing on ReHydro.
